A GRAND GAME

The Maysville Boys Return With the Coon Skin and a \$25 Purse

The Maysville ball team returned home last evening from Ripley with inflated breasts and in fine feather over their victory with the Georgetown ball team in one of the best played games of ball seen in the Ohio valley in many a day.

The contest was witnessed by about sixteen hundred people, the larger number being schoolteachers, who enjoyed the sport to the fullest.

The Maysville boys put up a corking good game. Frank Jacobs did the twirling, and it was League ball at that.

The two nines were neck and neck up to the eighth inning without a run scored on either side, when the Ohio boys went up in the air, resulting in three tallies for the Maysville on the right side of the ledger.

In the ninth inning Georgetown managed to squeeze in one run, the wind-up resulting in a score of 3 to 1 in favor of Old Kaintuck.

It was grand ball playing and worth going miles to see.

What a pity Maysville can't have Sunday ball games. With the material on hand here we could have a cracker-jack club that would furnish high-class, clean and innocent sport that would keep our people at home instead of sending them away for a day's recreation.

Charley Pearce and his ball team downed the Flemingsburg boys in a well played game yesterday by a score of 8 to 1. Good for Charley.

July shuffles off today.

Misses Margaret Downey and Marie Cogan are visiting Miss Anna Foley of Moransburg.

Mrs. Harry L. Walsh and daughter, Elizabeth, and Mrs. Byron Rudy leave today on an extended visit with relatives at Mason and Dayton, O.

BIG BARN BURNED

Incendiary's Torch Causes Alarm in Brown County

GEORGETOWN, O., July 30th.—The burning of a large tobacco barn on the farm of Fred Schatzmann five miles East of this place, Wednesday evening has caused a renewal of activities in Equity and non-Equity circles and may result in arrests being made today.

When the fire was discovered it had gained such headway that to attempt to save the building or any of its contents was futile. With the presence of mind of one who had been forewarned, Mr. Schatzmann gave orders for all persons to keep away from the barn and then telegraphed to Felicity for the bloodhounds of E. J. Watson. The hounds went direct to a residence.

Mr. Schatzmann had pooled his tobacco with the Equity Society, but sold it about six weeks ago to independent buyers and warnings had been received by him to not deliver the crop, but he did so.

The barn destroyed was one of the largest in this section, and while there was little of value in the burned building, the loss will be a heavy one, as there was small insurance.

A field of tobacco belonging to J. R. Elschlager in the same neighborhood was destroyed Saturday night and fifty chickens taken from the premises.

You Would Feel Better If You Had a

Good Summer Tonic

Most people at this time of the year need a good general system tonic. Even those who take the very best care of themselves find that they are obliged in the hot weather to tone up the system. You may not feel the need of it this week, but you will before long; but whether you do now or not remember that PECOR'S ORANGE PHOSPHO is the best known SYSTEM TONIC. It acts through the blood on every part of the system, reviving and stimulating it to new life and injecting the whole body full of energy. JUST WHAT YOU NEED. Only 50 cents per bottle.
